

## Remarks

Reconsideration and allowance of the above referenced application are respectfully requested.

Initially, the indication that claims 7-14 would be allowable if rewritten to obviate the rejection under 35 USC 112, second paragraph is appreciatively noted.

Claims 7-14 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite. In response, these claims are amended herein to obviate the rejection.

Non elected claims 2-6 have been cancelled.

This should render all of the claims into condition for allowance. A formal notice of allowance is hence respectfully requested.

If the Examiner believes that communications such as a telephone interview or email would facilitate disposal of this case, the undersigned respectfully encourages the Examiner to contact the undersigned.

Recognizing that Internet communications are not secure, I hereby authorize the USPTO to communicate with me concerning any subject matter of this application by electronic mail (using the email address harris@schiplaw.com). I understand that a copy of these communications will be made of record in the application file.

Please charge any fees due in connection with this response, (excluding any fees paid via EFS), to Deposit Account No. 50-4376.

Respectfully submitted,
